Dear Customer,

I am hereby submitting to you a new version of the FY 2018-2019 price catalogue list. The catalogue list consists of about 196 medicines, 114 medical supplies and 26 Diagnostics which make a grand total of **363** items.

The catalogue list is categorized into four parts which are; the catalogue items for FY 2018/19, high and priority items, new items introduced for FY 2018/19 and items moved from our catalogue list to special procurement

In this catalogue all products are listed by importance level V, E, & N and the layout of the level of spending on hospital A, B, C&D with the aim of bringing ease in this book usage, including facilitating treatments according to the National Essential Drug list and Standard Treatment Guidelines.

As part of the new changes in MSD overall conduct, we have prioritized focus areas and revised our strategic plan as our health sector roadmap, defined the strategic direction that we will pursue as an institution for the next two years (2018-2020). We will focus on five key areas that we believe MSD can strengthen itself: there are financial sustainability, Supply chain management, Technology, Human capital management, Governance and stakeholder management.

To effectively manage health commodity supply across the country, MSD's supply chain begins at the headquarters and central warehouse based in Dar es Salaam, and distributes to eight zonal stores across the country namely Mwanza, Moshi, Dodoma, Tabora, Iringa, Mbeya, Mtwara and Dar es Salaam, and two sales points in Muleba and Tanga. Based on the recently completed holistic supply chain review, MSD intends to optimize the distribution network by establishing distribution regions instead of focusing on administrative regions. To this effect, Tanga and Muleba Sales points will be elevated to Zonal offices and will serve multiple administrative regions.

Similarly, this price catalogue also contains a list of items supplied for free of charge under Vertical Programs. Customers are required to order the items by filling order forms alongside essential medicine orders.

Lastly, we wish to remind our esteemed customers to confirm to our order placement schedules as follows:

- Hospitals to adhere to 14 days prior ordering system. Health Centers and dispensaries to ensure that orders are compiled and submitted to

DMOs as per Integrated Logistic System (ILS) calendar.

- Hospitals to prepare and submit their Special Procurement orders during the annual forecasting sessions for with a cut off of January each year as guided by Public Procurement Act. This will facilitate MSD to follow the procurement guidelines, consolidate and call off the items for timely delivery.

We will continue a close and regular contract with you using our Head Quarters corporate email [info@msd.go.tz](mailto:info@msd.go.tz) and through our Zonal stores postal addresses and email addresses shown in the next pages.

For more information about MSD visit our websites [www.msd.go.tz](http://www.msd.go.tz)

Laurean Rugambwa Bwanakunu.

**Director General**

## Special Information on MSD Services

### What is Medical Stores Department (MSD)?

The Medical Stores Department (MSD) was established by the Act of Parliament No.13 of 1993. MSD is an autonomous department of the Tanzanian Ministry of Health responsible for the procurement, storage and distribution of medical supplies and provide for other matters connected or incidental to the establishment and management of the department.

In accordance to Act. 13 of 1993, the Board of Trustees is the highest decision-making body that governs the performance of MSD on behalf of the Minister of Health and Social Welfare. The Board is appointed every three years

The Board takes overall responsibility for MSD, including responsibility for identifying key risk areas, considering and monitoring investment decisions, considering significant financial matters, and reviewing the performance of management business plans and budgets. The Board is also responsible for ensuring that a comprehensive system of internal control policies and procedures is operative and for compliance with sound corporate governance principles.

The Board delegates the day-to-day management of MSD's operations to Director General. MSD is committed to the principles of effective corporate governance. The Trustees, also recognize the importance of integrity, transparency and accountability

### Terms and Conditions

Prices in this catalogue are MSD sales prices and are valid for all Governmental Health Facilities, Approved NGOs, Mission Hospitals, Charitable Hospitals and other health care providers with approval from Ministry of Health & Social Welfare. An addendum to Price Catalogue may be issued during the year, short of that prices in this catalogue will remain unchanged until publication of the next edition.

**Laparotomy Set**

Prices are valid for goods collected from any MSD stores.

Goods are sold against direct payment – cash or bankers Cheque or through advance cash deposits. Through use of postal address, email and fax, all Hospitals will receive monthly statements of accounts whilst all Dispensaries and Health Centers will receive the same on quarterly basis. However, customers can request their statements of accounts any time deemed right.

## **Customer Requirements**

### **Normal Order**

An authorized person who is recognized by MSD will be given special identification to allow relevant hospitals product collection, the identification will be valid for three years.

In collaboration with zonal stores, the Client will prepare his annual forecasted needs by filling in a special form inside or outside the eLMIS system to show an analysis of needs and how to pay for the same (Financed Demand Driven Forecast - {FDDF} and submit them to MSD annually during budgeting sessions. These requirements are to be accompanied by a letter confirming the intent for needs and payment commitment from the hospital concerned.

For hospitals that receive government allocation, the customer will purchase its needs based on existing balances or cash that will MSD received through the bank account of MSD. If it is a private hospital, approved by the Ministry of Health and Social Welfare will follow a defined above.

The submitted requirements shall be attached with clear specification explicitly describing the requirements. MSD will aggregate all requirements and will use appropriate procurement method(s) to acquire the goods.

MSD will then issue price for all items procured under this arrangement to all. Customers will then request as when needed from MSD.

**Blood Pressure Machine**

The order will be processed through call offs and upon arrival of the items, the customer will be notified to collect the same our stores.

### **Emergency Orders**

MSD orders the products under emergency terms following existing public procurement regulations and guidelines

On regular basis, customers will be informed of the status of the items ordered.

### **Back Orders**

MSD will systematically inform customers on the status of all back orders and advise them to reconfirm the order for collection purposes.

## **Quality Assurance of our Products**

Procurement of Drugs and Medical Supplies at MSD follows the WHO certification scheme. Each new product from the supplier has to be registered and approved by the Tanzania Food and Drug Authority (TFDA). MSD monitors all procured and distributed products through a quality assurance within the Directorate General.

Complaints related to poor quality of products should attention to Customer Services Manager or any higher be directed to head office or to our zonal stores with authority.

## **Customer Identification Cards**

An institution submits a form of two signatories authorized to approve expenditure. An institution also nominates and submits pictures of a minimum of two persons who are authorized to collect drug and medical supplies from MSD.

MSD prepares IDS and issues to customers once per every 3 years. An institution informs MSD on change of signatories or collecting personnel if it happens before the elapse of three years No drugs or medical supplies will be issued to a person without MSD proper identification

Dressing Trolley

(Refer addresses page)

If you are not satisfied with our service rendered to you, please contact  
Customer Services Manager or MSD Management.

We will respond to any of your queries within two working days. For an  
in- depth information about your rights and obligations, kindly read our  
electronic client service charter book available online on our website  
[www.msd.go.tz](http://www.msd.go.tz)

## Hospital Uniform

## Hints on planned Procurement, Storage and selection of Medicines

You are advised to read and understand Public Procurement Regulation GN. No. 446.2013 that has included procurement of medicines and medical supplies and put into action Part IV Sub Section (d) from clause Number 139 to 147.

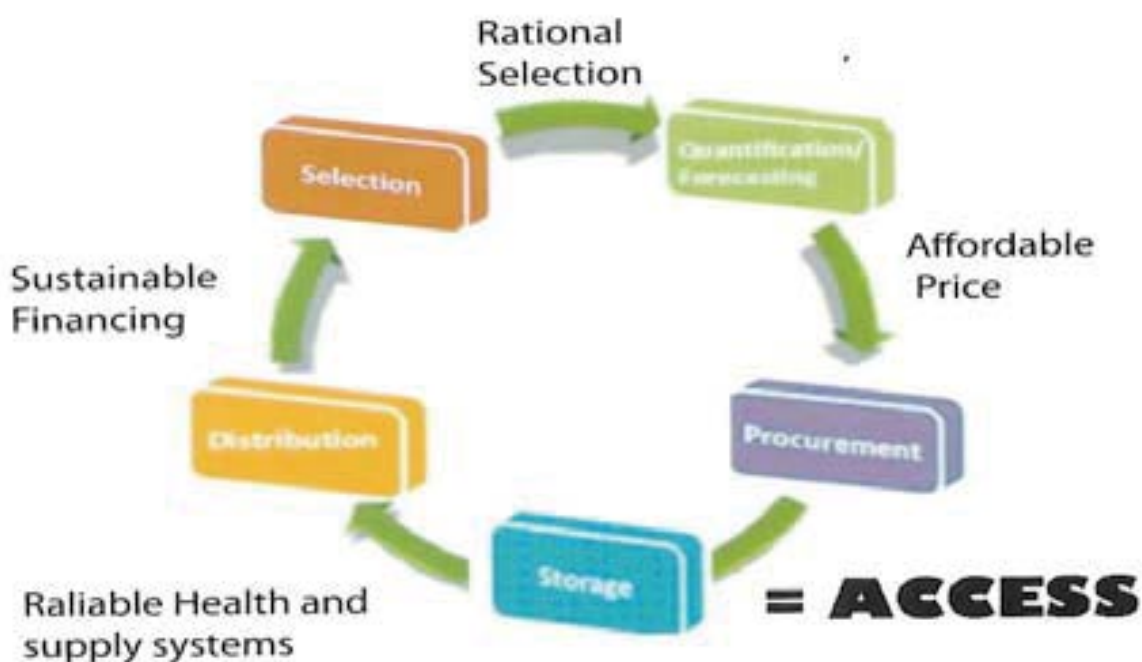

When procuring or ordering endeavor to limit the range of oral liquid medicines like syrups because these take more money than tablets or capsules.

Remember that some medicines are very sensitive to heat and light. Heat sensitive medicines must be transported under the cold chain. If in doubt ask the dispatch officer for advice.

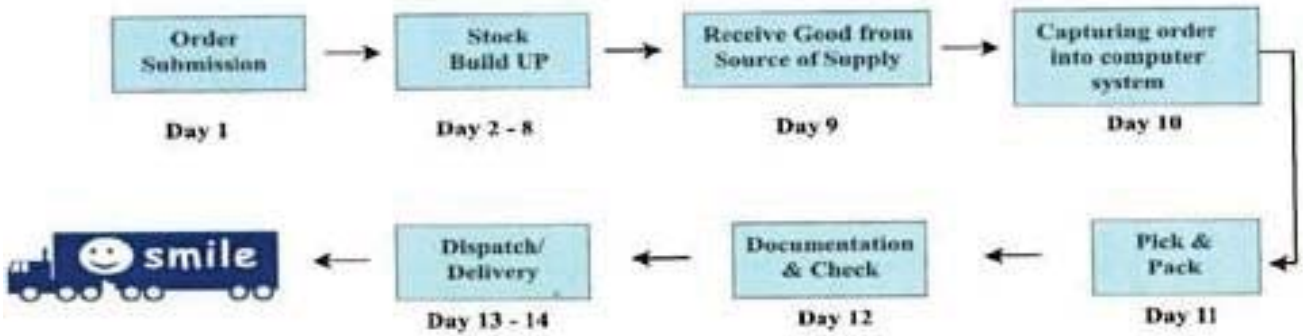

It is important for health facilities to have a small range of medicines because wide ranges are difficult to manage in terms of procurement and training of the prescribers.

For advice on how to plan your range of medicines, contact the Customer Service Desk at MSD.

### Hints on Planned Procurement

Dear Customer, would you like to spend less time at MSD? we can have your order processed 14 day prior to collecting/delivery ready for you to come, load and go!

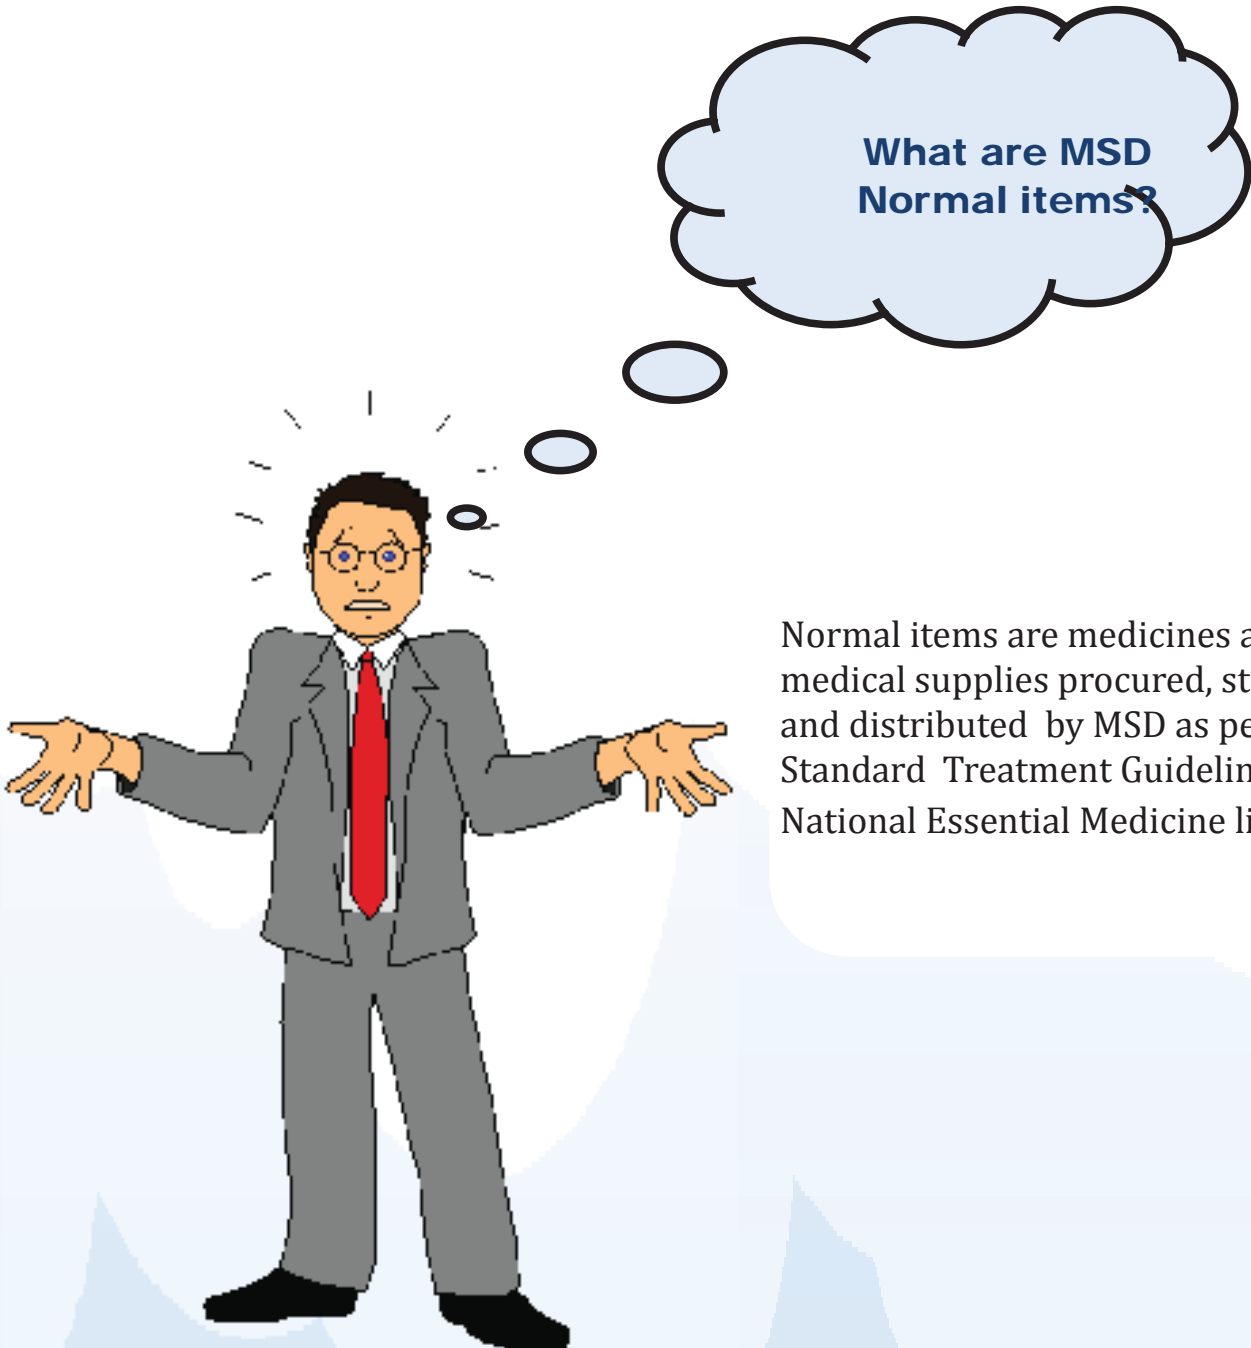

### Repercussions of not doing 14 days ordering/DD

### Stock categories

1. Normal items
2. Special & NHIF Items List
3. Vertical Program Items
4. Discounted and Free issued items

## Normal Items

What are MSD  
Normal items?

Normal items are medicines and medical supplies procured, stored and distributed by MSD as per Standard Treatment Guidelines & National Essential Medicine list

REAGENTS AND CONTROLS FOR ERBA XL100		
	Albumin	1 Pack
	Aspartate Amino Transferase (SGOT -AST)	1 Kit
	Alanine Amino Transferase (SGPT-ALT)	1 Kit
	Lactated hydrogenase-P (LDH-P)	1 Pack
	G -Glutamyl Transferase (GGT)	1 Pack
	Creatinine	1 Pack
	Serum Urea	1 Pack
	Cholesterol	1 Pack
	Calcium A	1 Pack
	Bilirubin Direct (BID)	1 Pack
	Amylase	1 Pack
	Alkaline Phosphatase (ALP)	1 Pack
	High Density Lipoprotein (HDL)-Direct	1 Pack
	Low Density Lipoprotein (LDL)-Direct	1 Pack
	Bilirubin Total (BIT)	1 Pack
	Total Protein	1 Kit
	Triglycerides-SR	1 Kit
	Erba Norm	1 Kit
	Erba Path	1 Kit
	XL Multical	1 Kit
	HDL/LDL Calibrator	1 Pack
	Sample Cup	P/100
	Reaction Rotors	1 Pack
REAGENTS AND CONTROLS FOR MS9/5s (Haematology Analyser)		
	Hematology Analyser (MS9/5s) Reagents	1 SET
	Hematology Analyser (MS9/5s) Controls	1 Pack
	Clot Filters for Hematology Analyser (MS9/5s)	1 Pack

<b>REAGENTS AND CONTROLS FOR DYMIND DH 76 (Haematology Analyser)</b>		
	Dymind DH 76 Lyse -LYA 3 (1LT)	Each
	Dymind DH 76 Lyse -LYA – 2 (500ml)	Each
	Dymind DH 76 Lyse - LYA 1 (500ml)	Each
	Dymind DH76 Diluents – A (20lt)	Each
	DYMIND CLE-P Cleaner - 50ml (1Btl)	Each
	DYMIND DH 76 CONTROL	Each
<b>EUROLYSER SET AND ITS REAGENTS</b>		
	Eurolyser Set	Each
	hsCRP	Kit
	HBA1cKit	Kit
	PT (INR)	Kit
	C-reactive protein (CRP)	Kit
	Cystatin C (GRF)	Kit
	D-Dimer	Kit
	Ferritin	Kit
	Lipoprotein	Kit
	Troponin T	Kit
<b>REAGENTS AND SUPPLIES FOR ERBALYTE PLUS ELECTROLYTES ANALYSER</b>		
	Reagents Pack	Kit
	Reference Electrode Fill Solution	Pack
	K+ Electrode Fill Solution	Pack
	Na+ Electrode Fill Solution	Pack
	Na+ Conditioner	Pack
	Cleaning Solution	Pack
	Micro-RO Water Processor	Each
	Analytical Scale	Each
	Set of Electrodes	Each

OTHER REAGENTS AND SUPPLIES		
	Erythrocyte Sedimentation Analyser	Each
	Micropipette (100-1000 microliters)	P/500
	Micropipette (2-20 microliters)	P/1000
	Hemocontrol Cuvettes	P/50
	Glucostix Test Strips for Glucoplus	Pack
	Haemocue Blood Haemoglobin (Hb-201) Cuvettes	50 Pcs
	Eosin azure solution	1 Litre
	Orange G6 Solution	1 Litre
	Ultrasound Gelly	5 Litres
	Barium Sulphate	Pack
	Absolute Methanol 99.9%	5 Litres
	Absolute Ethanol 99.9%	5 Litres
	Xylene Solution	2.5 Litres
	Paraffin Wax Pellets	5 Kg
	Sodium Dihydrogen Orthophosphate (NaH <sub>2</sub> PO <sub>4</sub> )	500gm
	Disodium Hydrogen Orthophosphate (Na <sub>2</sub> HPO <sub>4</sub> )	500gm
	Hydrochloric Acid Concentrated	2.5 Litres
	Tissue Embedding Cassete	500 Pieces
	Harris Haemotoxylin Solution for H&E Staining	2.5 Litres
	Face Mask	Each
	Sodium hypochlorite solution (JIK)	500mls
	Tissue Weighing Scale	Each
	Grossing Station	Unit
	Occult Blood Test Kit	Kit
	Helicobacter Pyrol Rapid Test Kit	Kit/25
	Cybow urine analysis Strips	P/100
	Micro Plate Shaker	Each
